About LSBCA

— London School of Business & Certified Accountants

Each year hundreds and thousands of students go abroad for higher studies to ensure their career. LSBCA offers world's most demanded professional courses in accounts and finance. It was established by a non-profit educational trust & has been teaching professional courses in India since 2006.

Our mission, philosophy, professional training, practicality, career development and personal training are some of the ardent features, which set us apart from others. Our teaching patterns are in tune with our philosophy of providing the best of services to our students.

We believe that the foundation of a good institute is laid on the strength of the faculty. Our dynamic and inspirational faculty is purely dedicated and committed to the excellence of each student. The personalized coaching techniques and the environment provided to the candidate includes meticulously planned classrooms, availability of books for research, separate and silent area for study, which as a result ensures 100% development of the student on the intellectual part.

As we prepare the candidates for the international market, we are also well aware of the importance of bilingualism. We offer a choice in the study of two international languages, i.e. French and Arabic.
